CHICAGO

THIS SALE

Will be conducted by a licensed auctioneer, and subject to the laws of the State of Illinois governing public auction sales.

In this, the last sale of the year, will be found many desirable lots. The collector of coins in perfect condition will find many interesting items. The gold dollar of 1875 is excessively rare and seldom offered.

Terms of Sale.

1. All bids to be by the lot, irrespective of the number of pieces in a lot. Bids below \$1. must be in multiples of 5c, and above \$1. multiples of 10c. A bid of 67c will be construed as 65c, and a bid of \$1.83 as \$1.80, etc.

2. Regular patrons may have their goods forwarded to them only on the distinct understanding that they will send immediate payment. Auction sales are spot cash and no time allowances or credit can be permitted under any circumstances, the owner of the coins expecting prompt payment. Strangers must send satisfactory references.

3. Bids are numbered and tabulated in their order of receipt. If two or more bids on any certain lot are alike, the one first received gets the lot. If two or more unlimited bids on any certain lot are received, the first one in gets the lot at a slight advance over the highest bid.

4. Payment should be made promptly by cash, money order or draft on New York or Chicago. All personal checks from out of town are subject to 10c exchange, and this amount will be deducted from such remittances. If a receipt is desired, a stamped, addressed envelope should be enclosed.

5. A commission of 5 per cent. of the purchase is charged for executing bids, and mail or express charges are to be paid by the purchaser. Bids may be sent to other parties, who, for the usual commission, will execute them and examine the lots while on exhibition, but in such cases I assume no responsibility.

6. It is understood that I purchase for you as your agent and execute your bids below the limit price you name, if possible. I understand fully that the amount you name on each lot is the highest price you are willing to pay, and that I am to buy it at as much less as the next highest mail bid or those present at the sale will allow.

7. Copies of this catalog with complete selling prices may be obtained after the sale upon payment of **40 Cents.**

All coins, etc., guaranteed genuine and original unless otherwise specified.

No duplicates in any lots unless so stated or marked unassorted.

All U. S. coins are Philadelphia mint unless otherwise noted.

Sizes of Medals, etc., given in millimetres.

The Numismatist's Reference and Check Book

Being a complete list of all coins issued by the U. S. Mint and branches, with their principal varieties, the private issues of gold, the paper fractional currency and all known varieties of encased postage stamps. Book is pocket size and printed on writing paper, ruled for checking the pieces in a collection, their condition, date of acquisition, price paid and from whom bought. The number of pieces of every denomination coined each year at the various mints is also given, making it an invaluable guide to the collector of mint marks and as to the rarity of any coin. Blank space is provided for additions of dates of future issues, thus making it perpetual, and blank pages for a list of books, colonial or other memoranda. 112 pages. Price \$1.00. Flexible leather, gilt edges, \$1.25. Flexible leather, gilt edges, interleaved with blank writing paper, \$2.00. Published and for sale by the author,

PRICED CATALOGS

A COPY of this Catalog priced in ink showing the amount realized on each lot will be supplied after the sale for 40 cents. There is no safer guide to the values of coins, medals, fractional currency, etc., than in the study of the priced catalogs. The cost is small, and a knowledge of these prices will enable the bidder to make more intelligent offers, aiding him in securing the pieces he desires. Comparison of different sales keeps him posted.
